REMARKS

Claims 1-111 are pending in this Application. On September 18, 2002, in Paper No. 6, the Examiner entered an Election/Restriction requirement which Applicants respectfully traversed in their response dated October 18, 2002 (Paper No. 7).

In the Office Action dated December 26, 2002, the Examiner asserts that Applicants' submission filed on October 18, 2002 (Paper No. 7) was not fully responsive, because Applicants did not list all of the claims that read on the elected species.
